GLOBAL SOURCING LTD

A&M Global Sourcing Ltd. is committed to working with leading industry eco-communities to develop our preferred fiber portfolio and to improving industry practices to continually bring positive environmental and societal changes for our communities.

Having a positive impact has always been at the heart of A&M Global Sourcing Ltd. Our ethical approach started back in 2010 with setting our social and ethical compliance strategy across our supply base. Our vision has always been people, passion and partnership both internally and externally.

OFFICES & FACTORY PARTNERS

Team Overview

Name: Oliza Monowar
Designation: Chairperson

We feel delighted to publicize to all our partners, clienteles/buyers that we believe whatever we have achieved; it's first credits goes towards our compassionate customers & second credit goes towards out well-built and analytical team. The journey of A&M started in 2009 with a motto of magnetizing the world's top grade & well-known buyers by attracting them towards excellent service and product quality. With the vision of being the most astounding supporters towards our clients we got determined to build a great reputation of Bangladesh by contributing the best mingle of effectiveness and competency. Our team's meticulous hard work reengineered the shackle in production process & planning, productivity & efficiency and these superlative techniques resulted the nucleus skills which we have a now. We can deliver the products in shorter lead time with flexibility in order size.
(Now our buyers distinguish us as a Partner to enhance their business values and images among end Consumers when they could enlarge their own business through us).
